

COLLEGE OF DAIRY & FOOD SCIENCE TECHNOLOGY, MPUAT, UDAIPUR

Tentative Time Table of Final Practical Examination II Semester 2017-18
I Year, II Year and III Year (Dairy Technology /Food Technology)

Date & Day	I year B Tech		II year B Tech		III year B Tech	
	Dairy Tech	Food Tech	Dairy Tech	Food Tech	Dairy Tech	Food Tech
01.05.18 Tuesday	DC-122 Chemistry of Milk					
02.05.18 Wednesday	DT-121 Market Milk	FE-124 Basic Electronic Engg		FC-221 Food Chemistry-II	DE-321 Principles of Dairy and Food Machine Design	FE-322 Food & Dairy Plant Design & Layout
03.05.18 Thursday	DE-124 Boilers & Steam Generation	FBM-121 Computer Programming & Data Structures	DE-221 Dairy Processing Engineering	FT - 223 Plant Management & Pollution control	DBM-322 Entrepreneurship Development & Communication Skill	FM-321 Food Safety And Microbiological Standards
04.05.18 Friday	DM-121 Microbiology of Fluid Milk	FE-123 Electrical Engg	DT - 223 Plant Management & Pollution Control	FT-222 Food Quality	DBM-323 IT Application in Dairy & Food Industry	FBM-322 Entrepreneurship Development & Communication Skill
05.05.18 Saturday	DE-123 Basic Electrical Engg	FE-122 Heat & Mass Transfer	NSS	FT-226 Processing of Spices and Plantation Crops	DE-323 Food Engineering	FBM-323 IT Application in Dairy & Food Industry
07.05.18 Monday	DE-122 Heat & Mass Transfer	FC-121 Food Chemistry of Micro Nutrients	DT-222 Condensed & Dried Milk	FT-221 Packaging Technology	Seminar 321	FT-322 Quality Assurance and Certification
08.05.18 Tuesday	DC-121 Physical Chemistry of Milk	FE-121 Thermodynamics	DT-221 Packaging Technology	FT-224 Environmental Studies	DM-321 Food & Industrial Microbiology	
09.05.18 Wednesday	DE-121 Thermodynamics	FM-121 Food Microbiology	DT-224 Environmental Studies	NSS	DC-321 Food Chemistry	FT-321 Egg, Fish & Meat Technology

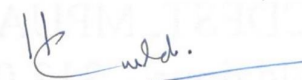

10.05.18 Thursday				FT-225 Extrusion Technology	DE-322 Food & Dairy Plant Design & Layout	FE-321 Principles of Dairy and Food Machine Design
11.05.18 Friday				FE-221 Food Processing Equipment -I		
30.6.18 Saturday	DT-122 READY Rural Dairy Work					

- Notes: 1.HODs/I/C should assure timely coverage of course. Extra classes should be held to cover course.
2.Theory classes will be conducted during practical examination to cover courses, if required, and marking attendance can be done until theory examinations commence.

IV B.Tech DT/FT/BT

	IV Yr. B.Tech DT	IV Yr. B.Tech FT	IV Yr. B.Tech BT
11.6.18, Monday	In plant Training		
12.6.18, Tuesday		In plant Training	
13.6.18, Wednesday			Project Work and Seminar

All exams will normally start at 7.30 am. In case of two batches the Exam of II batch will start at 11.00am. However, concerned HoD/I/C may change the timings as per requirement under the notification to students after obtaining permission from the undersigned.

DEAN

No.CDFST/MPUAT/SS/2017-18/298

Date 7.3.18

Copy for information and pointing out any error, etc. to

- 1.All HoDs/In charges of Departments, /I/C SS- pl ensure inclusion of all courses, get the names of external examiners approved from the undersigned and obtain their consent.
- 2.Teacher Concerned 3.I/C Training and Placement to inform all IV year students accordingly
4. Notice Boards
